

Professor Dr. Rolf Gleiter

Organisch-Chemisches Institut der
Universitaet Heidelberg
Im Neuenheimer Feld 270, D-69120 Heidelberg

phone: 06221-548400, FAX: 06221-544205

e-mail: Rolf.Gleiter@urz.uni-heidelberg.de

Homepage: <http://www.uni-heidelberg.de/institute/fak12/OC/gleiter/>

Born : 1936

Academic Career:

Bachelor of Science, Technical University of Stuttgart, 1960

Doctor of Science (Ph.D.), Technical University of Stuttgart, 1964

1965-1966	Postdoctoral Fellow	Princeton University (Prof. P. v. R. Schleyer)
1966-1968	Postdoctoral Fellow	Cornell University (Prof. R. Hoffmann)
1968-1972	Habilitation	University of Basel (Prof. E. Heilbronner)
1973-1979	Full Professor	Technical University of Darmstadt
1979 –	Full Professor	University of Heidelberg

Honors:

Award of the Swiss Chemical Society (1972)

Member of the Heidelberg Academy of Science (1991)

Max-Planck-Research Award (1991)

Adolf-von-Baeyer Medal of the German Chemical Society (1994)

Doctor honoris causa of Russian Academy of Science (2003)

Professor honoris causa of Lomonosow-University of Moscow (2003)

Professor honoris causa of St. Petersburg State University (2004)

Academic Interest:

Photoelectron spectroscopy of organic pi-conjugated molecules; through-bond interactions

Theoretical interpretation of through-bond interaction in pi-conjugated molecules

Synthesis and properties of small-ring superphanes; metal-complexes
